

DEER CREEK SCHOOLS' CO-RESIDENCY INFORMATION and PROCESS

The <u>Co-Residency Affidavit</u> is used to verify residency when a family is residing in an established home owned or leased by another person or persons within Deer Creek Schools' boundaries.

Some of the most common examples:

- Unmarried couples living together and the primary guardian is not listed on fully executed home ownership paperwork or the rental/lease agreement
- Two families sharing a home or apartment and only the guardian from the resident family named is listed on home ownership documents/rental agreement
- Parent(s) & Child living with Grandparent
- Adult student living with an established Deer Creek resident (other than his/her own family)

Co-Residency Process:

- 1. The Resident (homeowner/lessee) and Co-Resident (legal parent/legal guardian) must complete the Co-Residency Affidavit in the presence of a Notary Public.
- 2. The primary guardian/parent (Co-Resident) AND homeowner/lessee (Resident) must present the following documentation to Deer Creek Schools' Enrollment Center:
 - Completed and notarized Co-Residency Affidavit form (Resident AND Co-Resident must be present)
 - Homeowners' Settlement Statement, Warranty Deed or Mortgage Statement
 OR the Resident's fully-executed lease agreement with official letter from landlord authorizing additional tenants
 - Current utility bill in resident adult's name
 - Two Current bills (car insurance, phone bill, cable/streaming service bill, dr or medical bill, etc--cannot be junk mail) addressed to the co-resident at address of resident
 - Resident's and Co-Resident's current driver's licenses or other state/federally-issued photo IDs that reflect the address of the Deer Creek residence in which they are living
- 3. <u>Both</u> the Resident and the Co-Resident must present the notarized affidavit, along with all required co-residency documentation, *in person* to the district enrollment office. Please use THIS LINK to schedule your appointment to complete this process.
- 4. The enrollment office will verify the co resident's address, check the accuracy of the information in the affidavit and update household information in Infinite Campus.
